It is hard to express gratitude for all Kol Koreh has given Yesodei Hatorah. Over the years, Kol Koreh's data-driven and tailor-made support has changed the lives of hundreds of Yesodei Talmidim. Our struggling students have transformed into confident young men through Kol Koreh's structured guidance. Their success is yours.

Thank you.

175+ SUCCESSFUL STORIES

Kol Koreh
recognized the
tremendous
need for
individualized
reading and
kriah support
and
transformed
struggling
readers into
successful
students.

The number of struggling readers
has consistently dropped since Kol
Koreh intervened in 2009.

Thanks to Mrs. Yocheved Zilber's expert work, over 90% of Kol Koreh students graduated to become fluent readers and successful תלמידים in high school and beyond. Kol Koreh has built a solid foundation for every תלמיד - and for Yesodei as a school. They have enabled us to integrate our own Kriah program, so our תלמידים can continue to shteig with trademark Kol Koreh confidence. Kol Koreh's זכות is immeasurable.

“

Yesodei was of the first schools to make the courageous move and allow an outside organization into their קודש הקדשים. Such a thing is really unheard of. They recognized the incredible importance of focusing on קריאה, and the results speak for themselves.

EMPOWER READING PROGRAM

Kol Koreh successfully trained teachers at SickKids Hospital and integrated the Empower Reading Program into its curriculum.

EARLIER INTERVENTION

Kol Koreh incorporated Pre-1a into its program. By assisting children during these foundational years, many issues were nipped in the bud and more easily resolved.

BEYOND-SCHOOL SUCCESS

Kol Koreh adapted to COVID-19 with outstanding results. They efficiently sent personalized resources to each student, encouraging them to give it their all.

READBRIGHT CURRICULUM

By introducing the ReadBright Remedial curriculum, Kol Koreh created a seamless education that helped bridge the gap between remedial and in-classroom learning.

PROFESSIONAL DEVELOPMENT

Our Kol Koreh teachers benefited tremendously by being trained by the world-renowned reading and Kriah specialist, R' Yaakov Kiwak.

A Seamless Education

Kol Koreh has worked closely with our Rebbeim and teachers:

- Consulting with them about students
- Observing and giving valuable feedback
- Creating teaching plans based on data

It is hard to believe that my son is the same boy who would stumble over the Aleph Beis. He was nowhere near his grade level and felt like a failure. The change is miraculous! Yitzchok has outgrown Kol Koreh. He is fluently reading and loves learning now. But as a mother, what stands out most is his boosted self-esteem. He's just a different child!
